2018 Dr. Ernest E. Just Summer Youth Marine Science Camp

Friday, August 10, 2018
Classroom, Los Angeles Southwest College, CA. Class topic: Marine Biology

Saturday, August 11, 2018
Cabrillo Park and Aquarium, San Pedro, CA. Youth will explore marine life along the beach and at the aquarium.

Friday August 17, 2018
Bolsa Chica Conservatory, Huntington Beach, CA. Youth are exposed to the wonders of marine sciences and ecological issues that impact our lives. Youth are treated to classroom instruction, field exploration, and hands on demonstrations on various subjects.

Typical subject matter includes an introduction to elementary sampling techniques, basic ecological issues, and marine plant and animal basics. In addition, the youths are provided with lunch, study workbooks, school supplies, and a complementary T-Shirt. Lunch is provided. Students are dropped off and picked up at the Los Angeles Southwest College (LASC) Campus.

Saturday August 18, 2018
Pacific Aquarium of the Pacific, Long beach, CA. Youth are treated to a tour of the Aquarium of the Pacific in Long Beach, CA. While at this facility, they are treated to a 3D theatre presentation and classroom instruction by field practitioners where they are exposed to an inside look at aquarium operations, the various employment opportunities and educational prerequisites for careers in the marine sciences. Lunch is provided. Students are dropped off and picked up at the Los Angeles Southwest College (LASC) Campus.

Friday August 24 to Sunday August 26, 2018
Catalina Island, CA. The Youth participate in a two night sleepover at the University of Southern California, Wrigley Marine Science Center at Catalina Island. While at the marine science center, youth are treated to classroom instruction, laboratory exercises, snorkeling, kayaking, and other fun-filled activities. Transportation to and from the center, breakfast, lunch and dinners are provided by the Bridge Builders Foundation, Inc.

The Bridge Builders Foundation is an approved 501C3 organization (33-0846590). www.bridgebuildersla.org, (888) 355-0917
