

BBF STEM@Home

EE Just Saturday Science Academy Online

FREE OUT OF SCHOOL SATURDAY STEM CLASSES

The Bridge Builders Foundation will kick-off its 10th annual Dr. Ernest E Just Youth Science Saturday Science Academy STEM (science, technology, engineering, and math) program in an online distance-learning mode in January 2021.

Students in this program will receive FREE:

- Live interactive instruction and exposure on a wide range of STEM topics with hands-on activities from certified instructors
- STEM kits delivered to homes prior to each class
- Virtual field trips to STEM venues across Southern California
- Incentive attendance gift cards monthly

PROGRAM SCHEDULE

Classes every 3rd and 4th Saturday monthly
January 21 thru July 24, 2021

Seven classes, each 4 hours in duration, taught in two 2-hr sessions monthly.

NOTE: ALL COULD CHANGE IF COVID-19 PROTOCOLS ALLOW ON-SITE ACTIVITY

WHO QUALIFIES

Students grades 5 thru 8 or age 10-14

Boys and girls

Underrepresented minorities of color (African American, Latinx, Native American, Pacific Islander, Asian)

The Bridge Builders Foundation is an approved 501C3 organization (33-0846590).
