## Parental Consent

I give my informed consent and permission for my child to participate in the Ernest E. Just Science Program Saturday Science Academy and its related activities.

I agree to have my child follow all program guidelines and understand that any violation on my child's part may result in suspension and/or termination from the program.

If allowed under CVOVID-19 guidelines, I hereby acknowledge that my child will be transported by Bridge Builders staff or representatives to various community facilities/venues while participating in the program and that such transportation is voluntary and at his/her own risk. Transportation may include both land and water. (Note: Parents/Guardians are notified in advance)

Attendance to program classroom or online sessions is a critical component of the program. Your child may be terminated from the program after three (3) unexcused absences. I agree to notify the Bridge Builders program management of any planned absences at least 24 hours in advance.

I release the Bridge Builders Foundation of all liability of injury, death, or other damages to me, my child, family, estate, heirs, or assigns that may result from his/her participation in the program, and hold harmless any Bridge Builders program staff, or other representatives, both collectively and individually, of any injury, physical or emotional, other than where gross negligence has been determined.

I agree to allow Bridge Builders Foundation or its agents to use any photographic image of my child taken while participating in the science program. These images may be used in promotions or other related marketing materials.
